

Sensory-Friendly Night

at

WILD LIGHTS

Presented by

South Carolina

January 9 | 5-9pm

Riverbanks Zoo and Garden is enhancing its commitment to inclusivity by hosting its a sensory-friendly night. This special evening is designed to provide a welcoming and enjoyable experience for all guests, including those with sensory sensitivities.

KEY FEATURES:

- Dimmed and static lighting in select areas
- Lower music volume
- Designated quiet zones
- Visual guides and clear signage

If your organization is interested in setting up an information booth during the event, please email Mike Collins, Event Operations Manager, at events@riverbanks.org or call 803-360-7422.
